WHEREAS, Francis Imburgia (the "Applicant/Project Sponsor") has submitted a request to the Town Board (the "Town Board") of the Town of Greece (the "Town"), Monroe County, New York, for a waiver of the requirements for a new special use permit to operate a restaurant, to be part of a commercial recreation facility known as Diamond Billiards, on property located at 405 North Avenue, in a BR (Restricted Business) Zoning District; and

WHEREAS, having carefully considered all relevant documentary, testimonial, and other evidence submitted, the Town Board makes the following findings:

1. In summary, the Applicant/Project Sponsor's proposal (the "Proposal") is to operate a restaurant as part of a preexisting commercial recreation facility (billiard hall) in existing tenant space located at a multiple-tenant commercial plaza (the "Premises"). The Proposal includes sale and service of food (such as hamburgers, French fries, chicken wings, hot and cold sandwiches, etc.) for consumption on the Premises, and alcoholic and nonalcoholic beverages. Background music and live entertainment (as these terms are defined in the Town's zoning ordinance) will be provided indoors on a recurring basis. The Proposal does not include outdoor seating, outdoor loudspeakers, outdoor cooking, takeout service, delivery service, or a drive-up service window. Background music, live entertainment, and the Applicant/Project Sponsor's sponsorship of, affiliation with, permission for, or participation in one-time or recurring special or promotional events on the Premises will be subject to the requirements and restrictions of the Code of the Town of Greece, New York, Chapter 175 (Special Events). The proposed hours of availability to the public are: Mondays through Thursdays, 12:00 noon to 12:00 midnight; and Fridays through

Sundays, 12:00 noon to 2:00 a.m. Vehicular access for the Premises is via non-signalized driveways at West Ridge Road (New York State Route 104, a seven-lane urban principal arterial street) and North Avenue (Monroe County Route 146, a two-lane collector).

2. Upon review of the Proposal, the Town Board determined that the Proposal is subject to the State Environmental Quality Review Act (New York State Environmental Conservation Law, Article 8) and its implementing regulations (6 NYCRR Part 617, the "SEQRA Regulations") (collectively, "SEQRA"), and that the Proposal constitutes a Type II action under SEQRA. (SEQRA Regulations, § 617.5(c) (1), (2) & (26).)
3. According to SEQRA, Type II actions have been determined not to have a significant adverse impact on the environment and are not subject to further review under SEQRA.

NOW, THEREFORE, be it

RESOLVED that, based on the aforementioned information, documentation, testimony, and findings, SEQRA does not require further action relative to the Proposal.
